NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

After a full week of bad weather the sun surly does look good, doesn't it? Since we seem to average about 25 years between storms like the one we had last week, people will be talking about it for many years to come. And we suspect, that after a few years it will seem even worse than it was.

For the most part we were extremely lucky around here in that we did not suffer any more damage than we did. There seemed to be very few wrecks because of the weather, and as bad as the driving conditions were, this is surprising. Fortunately, we did not have very much ice to cause damage to the electrical lines or to the phone lines. A serious power loss right in the middle of the real cold spell could have caused some real problems for many people.

The bad driving conditions created a few extra problems here at the Herald as it was difficult to make our normal rounds. On top of everything else our typesetting machine went out of commission on us Wednesday morning. With the roads being the way they were it was impossible to get it fixed until Thursday and we had to fall back on our old equipment to finish up the paper Wednesday morning.

You probably noticed a few places a little harder to read than usual, and for this we are sorry, but for awhile there we were wondering if we would even get the paper out on time.

Guess it was just the week for things to go wrong because Anson had trouble with their equipment last week too. They were not quite as fortunate as we were and ran several hours late getting their paper out.

My father had surgery before the bad weather set in and was not able to work last week. And because of this I had hoped to get through earlier last week and try to help the Stamford American staff get their paper out. But the combination of bad roads and the equipment failure caused me to get to Stamford two or three hours later than anytime in the past couple of years. Consequently, I wasn't much help to them either.

Notice where the landowners in the southern part of Jones County are getting organized to fight the efforts being made to form three hospital districts in the county. You may have noticed in last week's paper that a notice has been published indicating that a bill will be introduced into the Texas Legislature seeking a hospital district for Hamlin that will include about a third of Jones County and a part of Fisher County.

Both Stamford and Anson are planning to introduce similar legislation. This is what the landowners in the lower end of the county are fighting. It is likely that they will be joined by other landowners scattered over the county.

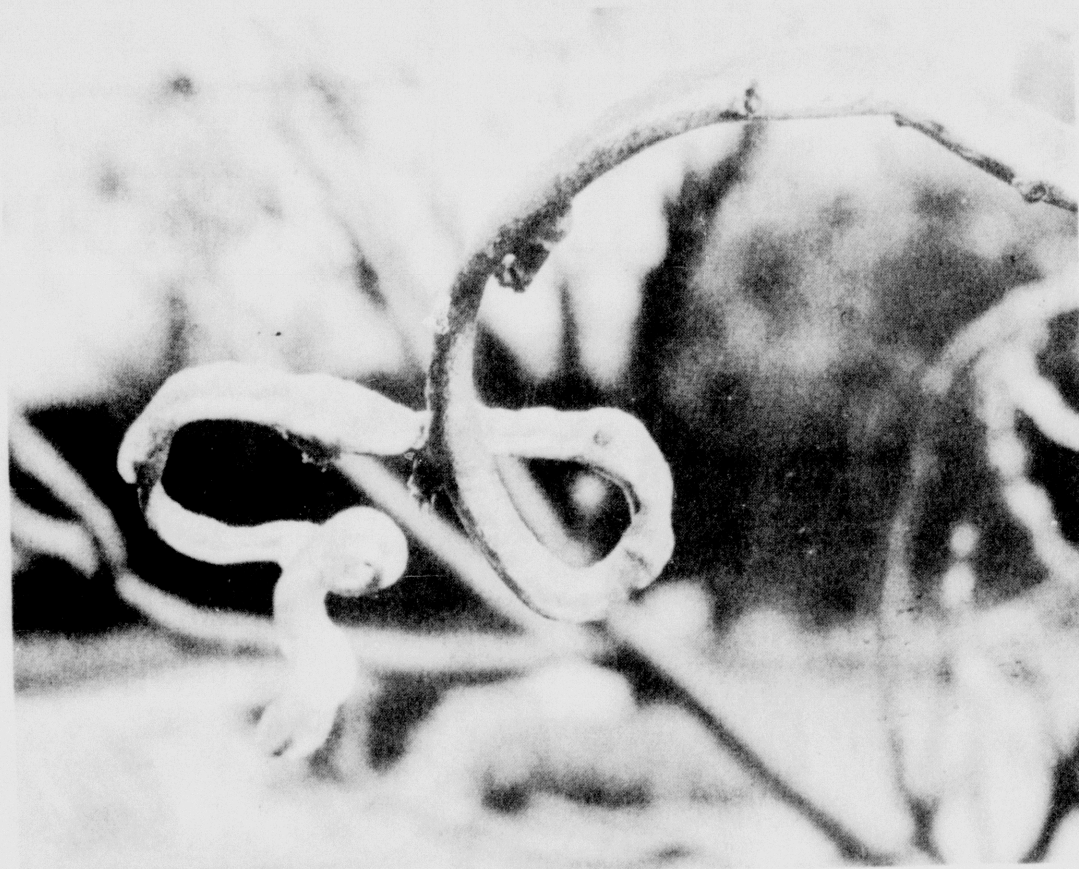

We can sympathize with them since they claim that they would derive no benefits from such a district. But sympathy is about all we can offer them. A lot of us pay taxes for things that we receive little, if any, benefits from. But at the same time we benefit from a great many services that someone else pays for.

Since those people live closer to Abilene than they do to Anson, Stamford or Hamlin they likely use a lot of services that the people of Taylor County pay for.

There seems little question to us but that the people of Jones County need to have a hospital district or districts. The best choice seems to be the one that is being taken at the present and that is to divide the county three districts.

Even those people in the southern part of the county might find someday that they are glad to be in a Jones County hospital district. The day

FROZEN BEAUTY — Photographers and kids could see the beauty in last week's ice and snow storm that hit West Texas and held it in its grip for over a week. Without school for a week, Hamlin youngsters found plenty of time to enjoy the beauty and fun of the ice and snow covered area. Tim Jones, local photographer, also found beauty in this tree limb covered with ice.

HEARS RATE REQUESTS—

Council Sets Election, Approves Dog Ordinance

The Hamlin City Council moved through a busy agenda Monday evening at their regular monthly meeting held in City Hall. The council set the election for three councilmen, heard a request for a rate increase for West Texas Utilities Company, a gas cost adjustment clause for Lone Star Gas Company, approved a city dog license program and started action on a spring street paving program.

The council set Saturday, Apr. 7, as the date for the annual city councilman election. The terms of three members expire this year. Councilmen whose terms expire this year are George Campbell, A. E. Killion and Robert Fowler. None of the three indicated whether or not they would seek re-election at the meeting Monday.

Anyone interested in filing for one of the three places on the council should contact Johnny Steele, city secretary. Deadline for filing is 30 days before the election.

The council delayed any action on both the West Texas Utility Company and Lone Star Gas Company requests until the next council meeting.

The council adopted a \$5.00 license fee for all dogs in the City of Hamlin and will establish a city dog pound. Complete details of the new ordinance must be worked out by the City Attorney Jack Willingham and then will be published. No date has been set as yet for the ordinance to become effective.

The city fathers authorized the engineering work to be done on a 13 block paving program, which includes several areas around the city. Final details of the paving program will be worked out following the feasibility study by the city's engineers.

Ned Moore, local WTU manager, presented the firm's request for a six percent rate increase to the councilmen. He said that it was the first general rate increase in the 50-year history of the company. The company is seeking the increase in all of the cities it serves.

The Company requested a six percent increase in each step of the residential, commercial and industrial rates and the application of a fuel adjustment clause to municipal water pumping rates.

The increase will not apply to minimum bills, fuel adjustments, municipal rates and power interchanges with other utility companies. "As a

result," Moore said, "the increase in the Company's total revenue will be less than five percent."

The increase will add about two and two-thirds cents per day to the average residential bill, according to Moore. He pointed out that since 1952 the average residential cost has dropped from 3.64 cents per kilowatt-hour to 2.59 cents, a decrease of 29 percent. During the same time, the average residential usage has increased more than 3-1/2 times.

While this is WTU's first general rate increase, the power company manager noted that WTU had voluntarily reduced rates 14 times. The firm's last major rate reduction was in 1964.

Services Held Wednesday for Mrs. Hallmark

Funeral services for Mrs. Floyd M. (Leila) Hallmark, 76, were held at 2 p.m. Wednesday in the First Church of the Nazarene.

Mrs. Hallmark, a retired school teacher, died at 1:20 a.m. Tuesday at Hamlin Memorial Hospital where she had been hospitalized two weeks.

The Rev. Marshall Stewart, pastor, and the Rev. Joe Norton, Nazarene evangelist, officiated. Burial was in Swedonia Cemetery under the direction of McCoy Funeral Home.

Born May 31, 1896, in Wells Point, she was the daughter of the late Mr. and Mrs. Isaac N. Wilcoxson.

She married Floyd Hallmark at Phoenix, Ariz., Oct. 13, 1920. The couple lived in Texas, Arizona and California. They moved here from Burney, Ca., in 1965. Mr. Hallmark died Nov. 14, 1966.

Mrs. Hallmark began her teaching career in 1914.

She was a member of Central Christian Church in Stamford, the Order of the Eastern Star, Hamlin Garden Club, and American Association of University Women (AAUW).

One son, Floyd, preceded her in death Mar. 1, 1945, on Iwo Jima.

Survivors are two brothers, Vaughan Wilcoxson and Alvis Wilcoxson, both of Dallas; and one sister, Mrs. Richard Young Sr.

Pallbearers were Donald Young, Raleigh Reynolds, M. S. Johnson, Steve Reynolds, Arnold Johnson and James Weaver.

of the new electric rate schedules, the WTU Manager said that the new rates would be applied to bills rendered on or after March 1, 1973.

Wayne West, local Lone Star Gas Company manager, appeared before the council in his firm's bid for a gas cost adjustment clause in their contract with the city. West pointed out that the firm is seeking this clause in all of the cities they serve and that Hamlin was one of the few cities that they were not asking for a general rate increase too.

West told the council that this clause would permit them to pass along 65 percent of the increase in gas cost to the customer. And at the same time he said that if the cost of gas went down the firm would pass along 65 percent of the decrease to the customer.

West said that the firm would not put the adjustment in effect in Hamlin for the present but did want the clause passed now. He said that for the present the firm was receiving a fair return in Hamlin and that this was the reason no general rate increase was being sought.

Based on current gas prices the gas cost adjustment would mean about 10 cents a month increase on the average bill if it were put into effect now.

Sellout Crowd For Wrestling Here Monday

Professional wrestling made its way into Hamlin Monday night at the Hamlin Public School Gym. There was a sellout crowd, standing room only, the largest crowd ever gathered in that building.

In the first event Ricky Star defeated El Gran Tapia in a time of twenty minutes. It was a one fall, 30-minute time limit.

In the first main event The Lawman lost to Hank James in a grueling one hour battle.

In the second main event Dory Funk Sr. won over Ciclon Negro. This was a hard fought two out of three fall match.

The event was sponsored by the Explorer Scouts and the Senior Class had the concessions.

Singing Sunday

The Third Sunday Singing will be held Sunday evening at 2:00 in the Calvary Baptist Church. Everyone is cordially invited to attend.

SET FOR JAN. 25—

Final Plans Made for BCD Annual Banquet

Final plans for the Hamlin Board of Community Development's annual banquet have just about been completed, according to Mrs. L. C. Bonds, executive secretary. Tickets to the affair to be held in the high school cafeteria Thursday, Jan. 25, at 7:30 went on sale last week and are available at a number of downtown locations.

W. R. Bryan, executive director of community services for The Goodyear Tire and Rubber Company, will be the principal speaker.

A civic as well as an industrial leader, Bryan is a past president of Lions International. He has long been active in Scouting and other youth programs.

A world traveler, he has toured 86 countries and had audiences with 52 heads of state, including Pope Paul VI, President Georges Pompidou of France, General Franco of Spain, Emperor Haile Selassie of Ethiopia and King Rama of Thailand.

Before being named to his present position, Bryan was director of management development for Goodyear. The company's conservation and environmental control programs, traffic safety education and youth-related activities are among his current concerns.

The Wooster, Ohio, native is a charter member and past president of the Northeast Ohio Chapter of the American Society of Training Directors, and was vice president of the national organization.

Bryan is a graduate of the College of Wooster and did graduate work at Ohio State University and Harvard.

New officers of the organization will be introduced at the banquet and the retiring officers will be recognized for their contribution to the community during the past year.

A highlight of the meeting will be the presentation of the Citizens of the Year Award to two local citizens, a man and a woman. The Citizen of the Year award program was started last year with the Rev. Marshall Stewart being the first to receive the award. The program has been expanded this year to include the two awards.

March of Dimes Drive Plans Being Made

Plans are being made for the local March of Dimes drive to be held here the latter part of January and early February.

Mrs. John Ferguson Jr. will again head the Mothers March which will likely be set on a Sunday afternoon. All women or girls who can assist in the drive should contact her.

Coffee day will be held by participating drug stores and cafes.

Mrs. Charles Absber will be in charge of the drive at the primary school.

Balloon sales will be handled by Joe Ford and Charles Absber.

The street blockade will be under the leadership of the Boy Scouts.

Named Service Technician

W. A. "Bill" Henley has been named service technician for Cable Electronics, Inc., according to Mrs. Ned Moore, local manager. He will serve the cable television system offices of Hamlin, Rotan and Anson.

Henley and his wife moved here this past weekend from Clyde where he served in a similar capacity for the cities of Clyde and Baird.

Pipers Drop District 6-AA Lead to Anson Here Tuesday

The Pied Pipers suffered their first district loss here Tuesday evening, losing to the Anson Tigers 58-54. The win puts Anson in the lead for the District 6-AA title with a perfect record. Hamlin is now 2-1 in district.

Junior High Teams To Play In Tourney

Hamlin eighth grade boys and girls teams will be in the Aspermont Junior High Basketball Tournament which begins today (Thursday).

The eighth grade girls will play Aspermont's seventh grade girls at 2:30 p.m.

At 3:45 p.m. the boys will play the seventh grade boys.

If the girls win they will play the winner of the Paducah-Stamford game at 11 a.m. Saturday.

If the boys win they will meet the winner of the Paducah-Stamford game at 1:30 p.m. Saturday.

Teams entered are Paducah, Albany, Stamford, Old Glory, Hamlin and Aspermont. The Aspermont seventh grade teams were added to help fill the bracket.

Cub Scout Den Formed Here

A new Cub Scout Den was formed Wednesday afternoon for eight-year-old boys.

Den leader is Mrs. Joe Wayne Carter and Mrs. Ray Sonnenburg is assistant. The Den will meet each Wednesday from 4 to 5 p.m. at the Jaycee Community Building.

Attending were Jeffrey Sonnenburg, Bobby Wall, John Scifres and Joe Bob Carter.

Adult Class Starts Tonight

The Adult Education Class will begin Thursday night at 7:00 p.m. Due to inclement weather the class was not started last week.

Mr. Merritt stated that English will be the beginning subject but said that all members enrolled should attend.

Milton Jones was high with 18 points, followed by David Willis with 14.

Leigh Ann Vaughan hit 28 points for the Piperettes as they defeated the Anson girls, 46-34. The Piperettes are now 2-1 in district play.

Anson won the B game, 50-46. Playing at Ballinger last Friday, the Pipers defeated the Bearcats, 73-52, with Willis hitting 23 points and Jones, 22. Hamlin won the junior varsity game, 43-30, but dropped the freshman game, 56-46.

Friday night the Pipers, Piperettes, and the boys JV's will travel to Haskell with the first game starting at 5. No date has been set yet for the game with Winters that was cancelled because of the bad weather last week.

Jones County Livestock Show Set Saturday

The Jones County Livestock Show will be held Saturday in Anson with Anson as hosts.

The show, originally set for last Saturday, was postponed because of ice, snow and freezing weather conditions.

Scout Coffee For Mothers

The Cub Scout coffee for ladies with boys eight, nine or 10 years of age will be held Jan. 25 at 9 a.m. at Hamlin Restaurant, sponsored by Robert Harris of Sweetwater, district Scout Executive.

The coffee was originally scheduled last week and was postponed because of bad weather.

The mothers are urged to attend and learn more about Scouting, Harris said.

Boll Weevil Group to Meet

The Jones County Boll Weevil Association meeting will be held at 1 p.m. Friday at the 66 Sirlin Cafe in Anson.

Announcement was made by Stuart Propst, president of the Association.

FROM THE FILES . . .

FIFTY YEARS AGO

(January 19, 1923)
Mr. H. E. Wall informed the Herald that the Wall-Walton Co. is no more and the firm's name is now Wall-Young Co. This is brought about by a recent selling out of the R. F. Walton interest in the Hamlin store and the buying of the Wall and Young interest in the Tahoka store. This leaves Mr. Walton sole owner of the Tahoka concern.

Since last week there has been much said and still more done on the water situation in Hamlin. There is now a grade of fine water being pumped into the central pumping station, that seems to be of exceptionally good quality. It is coming from a stratta of fine white sand, clear and pretty. It is yet to test how extensive the sand and supply is.

Since the rush of the cotton season is over, the First National Bank and the First State Bank will close promptly at 4:00 o'clock. Their customers will bear this in mind and attend to their banking business before that hour.

Many of the readers of the Hamlin Herald know that for several years Central Nazarene College has been in a financial crisis. More than ten years ago there was a loan made of ten thousand dollars. Five thousand dollars on the original loan was paid last week. This is a great financial victory. In addition to this, there has been near two thousand dollars paid on local indebtedness.

TEN YEARS AGO

(January 17, 1963)
Though Jones County has suffered a decline in oil development activities common to all of the 22 counties in the West Central Texas area in recent years, the number of new discoveries in 1962 gave it a rating of fifth compared with third ten years ago. The county ranked eighth in 1961.

The Pipers dropped their district opener here Tuesday night with their arch-rival the Anson Tigers, 62-56. The Pipers fell behind ten points in the first quarter and never could overcome the Tiger lead. The Piperettes opened their district play on a better note as they downed the Tigerettes 45-29.

R. E. Douglass of Sylvester was given the bid for the rebuilding of the Vocational Agriculture Building at Hamlin High School at a meeting in the superintendent's office Monday evening. The bid for \$2887 will include the rebuilding of the roof, a center partition and new front to the building which was heavily damaged by fire here Dec. 11. The existing three walls and floor will be used.

Extremely cold weather and fires seem to go together. At least this would be the opinion of the members of the local fire department as they were called out four times during the weekend when the temperature was well below the freezing mark. A total of 72 alarms were answered during 1962 by the fire department in the city limits. Of this figure 56 of the calls were for grass fires.

NEWS AND VIEWS . . .

And What Have You

Continued from page 1

could come when Taylor County forms a hospital district and decides it would like to take in part of Jones County since these people use the Abilene facilities. The tax rate for a Taylor County district could be a lot higher than the one for Jones County.

This is the main reason for the people of Anson being interested in a hospital district. They don't particularly need a district now, but they don't want to wake up some morning and find that they are in someone else's district.

Hamlin needs a district for two reasons. One is, we like Anson don't want to end up in someone else's district and the other is that a hospital district is our only hope of keeping medical services here.

Hamlin has come just about as close to losing its medical services as you can come and I don't believe that we want any more of that.

While just having a hospital district does not insure that you will have medical facilities, not having a district will just about insure us not having any.

Neinda Philosopher Finds That Faulty Machines, Like People, Worldwide

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One defends repairment this week, we suppose.

Dear editor:

Everybody laughs, if he's able, about how hard it is to get a plumber these days, or a T.V. repairman, washing machine repairman, etc., and a lot of people say, "What's gone wrong with this country? Why can't it make machines that don't break down so fast, and why can't we train enough repairmen to go around, at the minimum wage of course?"

It's a good question but if you're looking to me for the answer you've come to the wrong place, and furthermore I can't tell you where to look.

But I can tell you where not to look. According to an article I read last night in a newspaper which had been used as packing to protect a box of broken cups I

got through the mail for Christmas, the problem is even worse in Russia.

In one city alone, the article reported, there are 11,000 refrigerator owners on waiting lists for repairs, and how bad that is can be realized when you remember that only about one family in a thousand even has a refrigerator, whether it's working or not.

"I called a mechanic," one Russian owner complained, "and when he finally got here two weeks later he checked the refrigerator, found out what was wrong, and never appeared again."

What this points out is that if you want to escape human nature you've got a lot of traveling to do and no chance of arriving.

In this connection, I'd like to report that I found a bunch of typographical errors in my letter to The Herald a few weeks ago but I do not intend to take

my refrigerator and move to Russia.
Yours faithfully,
J.A.

SHINED AND READY

"And your feet shod with the preparation of the gospel of peace." Ephesians 6:15.

These shoes fairly shine and sparkle and are ready to take their owner proudly any place. Society dictates that we should be well turned out and that our feet be shod with well-groomed footwear. The Bible tells us that we should be clad in the whole armour of God, and that our feet should be shod with the preparation of the gospel of peace. The gospel is this: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit." Romans 8:1

St. Peter advises, "Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear."

Come to church this week that you might learn of Him and that you might be prepared to give this good news of the gospel to others.

Abilene Fine Arts Museum To Host Painting Exhibit

Plans are underway for the 30th annual Painting and Sculpture Exhibit sponsored by the Abilene Fine Arts Museum. The event will be held March 4-March 23, according to Jim Bell, Director. Over 2500 invitations are being mailed to artists throughout the state. Local residents will provide over \$1000 in purchase prizes in addition to \$400 in awards. Judge will be Ary Arlon, Painting Instructor, Southwest Texas State University, San Marcos, Texas.

Any painting medium or collage is acceptable. Work done in class or under supervision by students is not eligible. Four original recent works not previously shown in any Abilene Fine Arts Museum Exhibit may be entered, no entry to exceed 60" in either dimension including frame. All entries must be in good condition, framed and ready for hanging, and must have a label firmly attached to the back upper right hand corner of the painting or frame. Artists who fail to receive labels in the mail

should stop by the Museum to pick them up or write P. O. Box 1858, Abilene, Texas 79604 to receive prospectus. Sculpture must fit through a regular doorway.

An entry fee of \$3.00 (per entry) and completed entry form must be mailed to the Abilene Fine Arts Museum by Thursday, Feb. 22, 1973 (check or money order payable to the Abilene Fine Arts Museum). Entry fees will be retained whether or not the entries are accepted. Attached entry blank and notification card must accompany entries.

All crated entries must be sent prepaid and are due at the Abilene Fine Arts Museum no later than 5:00 p.m. Tuesday, Feb. 27. Hand delivered entries are due by 5:00 p.m. Thursday, Mar. 1.

Hand delivered entries not selected may be claimed from 1:00 p.m. to 6:00 p.m. on Monday, Mar. 5. Hand delivered entries exhibited must be claimed on Friday, Mar. 23. Paintings not claimed at this time will be put in

storage at the owner's expense. All crated entries exhibited will be shipped by Mar. 29 COLLECT by Motor Freight unless the Abilene Fine Arts Museum is otherwise notified in writing by the artist. Crated entries not selected will be shipped COLLECT by Motor Freight as soon as possible after jurying and no later than Mar. 29.

Works should be priced, or marked NFS, if not for sale give their valuation. The Abilene Fine Arts Museum receives a commission on all sales. Submission of any entry to this exhibition constitutes agreement on the part of the entrant to all conditions set forth.

Phone the museum at 915-673-4587 or write to P. O. Box 1858, Abilene, Texas 79604 for additional clarification.

Area Baptist Evangelism Meeting Set

Delegations from 57 churches of the Baptist Double Mountain Area are expected in Haskell on Monday, Jan. 29 for an Area-Wide Evangelism Conference to be held in First Baptist Church. The afternoon session will

begin at 2:00 p.m. and evening session to start at 7:00. Theme for the conference is "The Church Alive."

Howard Jones, Pastor of the First Baptist Church, Hamlin and Evangelism Chairman for West Central Association will preside over the afternoon session. Special speakers for the afternoon will include Bob Harrington, "Chaplain of Bourbon Street", New Orleans, Louisiana; W. L. Trice, Pastor of First Baptist Church, Lueders; Roger Butler, Pastor of First Baptist Church, Knox City and R. B. Hall, Pastor of First Baptist Church, Anson. Bob Harrington will bring the closing message for the afternoon.

There will be a choir rehearsal at 6:15 and all singers are invited to take part.

Troy Culpepper, Pastor of First Baptist Church, Haskell and Evangelism Chairman for the Haskell-Knox Association will preside over the evening session which begins at 7:00 p.m. with a song service followed with a message by Dr. Gordon Clinard, Professor at Hardin-Simmons University. Bob Harrington will bring the closing message.

The public is cordially invited to attend both services. A nursery will be provided for all children ages birth thru 5 years.

COURTS SPEAK — The Court of Criminal Appeals upheld the murder conviction of Walter Lee Morris in the shooting of a Sherman police sergeant.

The same Court affirmed a two-year probated sentence of a Houston youth for wearing the U. S. flag on the seat of his blue jeans, although it agreed two sections of the law on desecration of the flag are unconstitutional.

The High Court ordered a new trial in a suit by the widow of a man killed in a truck-train wreck at Floresville.

Rep. Elmer Martin's First Week In Austin

State Rep. Elmer Martin of Colorado City viewed his first week of the 63rd session of the Texas Legislature as one of progress.

"The first week moved smoothly with the house beginning by working until 5:30 p.m. on the first day of the session," Martin said.

"We steadily progressed through the week by electing a new speaker and receiving

overwhelming support for reforming the rules of the house," Rep. Martin said. "There are nine proposed changes in the rules and we will consider each one separately."

"Some of these proposed changes are the creation of an ethics code, broadening the state's open meeting laws, and limiting the term of the speaker to one term and in doing so returning more power to the

house."

Speaker of the House Price Daniel Jr. named the committee assignments Friday and Representative Martin was assigned a position on the Agriculture and Livestock committee, the Environmental Matters committee, and the Liquor Regulation committee.

"Over all I was pleased with my first week in office," Martin said, "and now after the inauguration of the governor, we will be ready to get down to the matters of the busy session ahead."

SHORT SNORTS

Mauzy, 46, was named senate president pro tempore.

The Legislature was urged by a study committee to regulate overpumpage of groundwater in several parts of Texas, including the San Jacinto Monument-Baytown area, the High Plains and San Antonio area.

An Austin representative introduced a resolution calling for a committee to investigate Rep. John Allen of Longview who paid a fine late last year after pleading guilty to a misdemeanor nepotism charge.

Applications have been filed for new state banks in Vidor and Euleus.

Austen H. Furse of Bay City will head the oil and gas division of Atty. Gen. John Hill's office.

Texas employers will try for "workmen's compensation self insurance" again this legislative session. Only 16 states do not allow this — including the Lone Star state.

Farmers Union Sets Meeting In Anson Tues.

A meeting of Farmers Union leadership in this area has been called for Tuesday, January 23, at 8:00 p.m. at the Sirlain 66 Cafe in Anson by Foy Mitchell, District III Director of Texas Farmers Union. The purpose of the meeting is to discuss state and national legislative issues.

Jay Naman of Waco, Texas Farmers Union President, Joe Rankin of Ralls, Vice President, Kenneth Moss of Lubbock, Director of Field Operations, will be in charge of the meeting.

Naman stated, "We are calling this planning session at this time to get the grass roots viewpoint of our county leadership. We want to get first-hand the reactions of farmers and ranchers to the recent announcements by the Administration trimming 1.5 billion dollars from an already 'slim' agricultural budget."

Foy Mitchell, District III Director states the strategy meeting is for county officers, members, Boards of Directors, and their wives.

NEWS FROM ...

Sylvester

by Mrs. R. M. Babb

Here it is another Monday morning. There is still some snow on the ground and it was a cool 30 degrees when I got up. We had about eight inches of snow and a lot of other moisture. There is one thing we

are very thankful for, even though some took falls no one received injuries. Only their pride was hurt.

Our sympathy to the family of A. T. (Pop) Williams who passed away early last week in Odessa and was buried here in the Sylvester cemetery on Friday morning.

Mrs. Stephens of Roby, Mrs. Alford Douglass' mother, is in Rotan hospital. She has been quite ill but is better at this writing.

Melvin Thompson's mother is in Sweetwater Memorial Hospital in Sweetwater due to a stroke.

Mrs. Jack Gann has spent the past couple of weeks in Abilene due to the illness of a grandchild.

I guess you noticed that the Sylvester news was missing last week, due to no fault of mine or the Hamlin Herald. The mail just wasn't picked up on Monday afternoon due to the weather. Do you remember???

Guess this is all I know as every one just stayed close to home last week.

LETTER TO EDITOR

Dear Editor:

While visiting in Hamlin after Christmas, we left our car unlocked parked on a downtown street. Upon our return home, we found that some child had evidently put his new coat in our car, perhaps mistaking it for his.

If anyone has lost a coat, if they would send a complete description of the lost coat, we would be happy to forward this item to them.

Thank you for your service and attention.

Sincerely,
Gary Gamble

Neinda Philosopher Takes An Airplane Trip and Makes A Few Remarks Thereon

Editor's note: This is hard to believe, but the Neinda Philosopher on his Johnson grass farm on Route One claims he took an airplane trip last week, his letter this week reveals.

Dear editor:

It's not very often that I get off this Johnson grass farm even to go into Hamlin but last week I found myself flying half-way across the nation, no use saying which cities I visited, they're all pretty much alike, in fact, I looked at newspapers in five different bug cities and each one of them had exactly the same news in exactly the same place — the New Orleans sniper story in the upper right hand corner of the front page, Henry Kissinger back in Paris in the left hand corner.

That's the difference between big city dailies and a paper like the Herald. Regardless of how many different towns you might visit this week, you won't find another paper with the same news as yours.

But what I started out to say was that I had heard that airplanes have replaced trains as a way of traveling and it's just about true.

All they need now to completely replace trains is a fat

conductor in a shiny blue serge suit to waddle through punching tickets. They've managed everything else.

For example, airplanes can be as late as trains ever were and you can miss just as many connections. People sitting and staring at nothing in an airport waiting for a delayed plane look just like people sitting and staring waiting for a train in a depot. Airport sandwiches taste just like sandwiches used to and they cost a dollar apiece. Cold drinks 35 cents. And as for losing luggage, the aviation industry has mastered that as well as the best of trains.

After you finally get on a plane at a big airport it takes as long for it to taxi to a runway for take-off as it took a train to get out of a station. One of mine taxied for 18 minutes. Of course airplanes don't have any sidings to wait on while another one, late itself, comes by, but they've matched that by circling overhead for an hour or two waiting for a spot to land. One plane I was on circled for an hour and 45 minutes, along

Retired Teachers Now Qualify For Medicare

Retired teachers who have not been covered by Social Security can now qualify for Medicare hospitalization insurance, according to word received here by Bob Hawes, local school superintendent, from the Texas Education Agency.

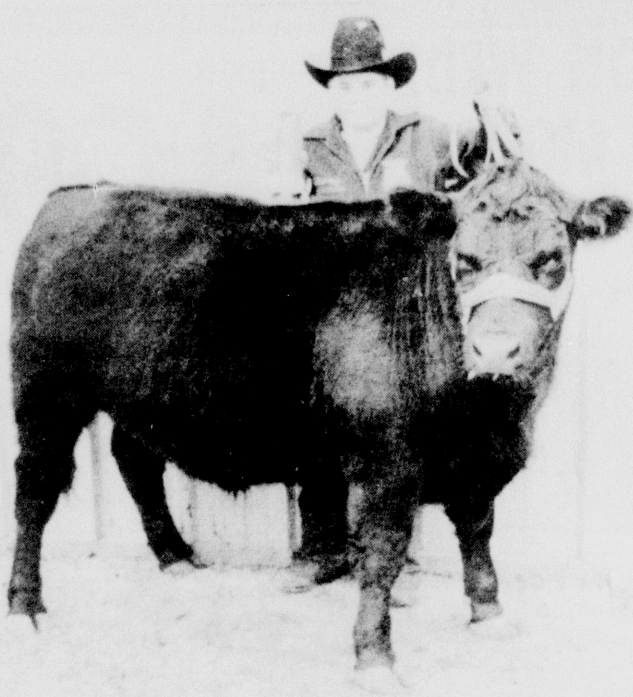

According to the state agency a law passed by the 92nd Congress permits enrollment for persons attaining the age of 65 who are not covered under Social Security or Railroad Retirement systems. Enrollment is voluntary on an individual basis, although the law permits group coverage under agreements with HEW and public or private employers or organizations.

An individual has the responsibility for enrolling himself, but he may designate an agency that has agreed to collect and transmit premiums. Coverage will begin July 1, 1973. Monthly premiums for hospitalization (Part A) will be \$33 during the first year and will be payable starting June 1. In order to enroll in Part A, individuals must also enroll in Part B (Physicians' services and prescription drugs) at a cost of \$5.80 a month.

For those who are 65 or over, the initial enrollment period will extend through August 31, 1973. For those attaining age 65 after May 31, 1973, the enrollment period will be three months after their 65th birthday. In subsequent years, the annual enrollment period will be January 1 through March 1.

NEWS FROM ...

Sylvester

By MRS. R. M. BARR

There is one thing I can tell you for sure, it is COLD!!! Some 18 degrees and icicles 18 inches long hanging from our front and back porches, sleet and just most any thing else you want to talk about.

Our sympathy to the family of Mr. Ralph Tartar who passed away in Houston last night. He was Mrs. Roy Herron's father.

Mrs. Velma Reed and Mr. and Mrs. Paul Stephens were surprised on New Year's Eve by the Church of Christ in Roby coming by after church and bringing them a cake. Nice idea, don't you think?

Mr. and Mrs. McKee Andrus, their son and daughter-in-law, all of La Marque have spent several days as guests in the Jim Lanning home.

Ross Douglass spent several days in College Station learning more about his cultured catfish farming.

Mrs. J. R. Gross attended the

reunion of the late W. L. Henson family in De Leon New Year's weekend. The older Henson family lived here while the family was growing up.

This will be short due to the bad weather. There were not any church services on Sunday no schools on Monday, and every body stayed home if possible. Yes we are ready for a change, but why should we complain, it could be much worse.

JAILS CRITICIZED — Texas Legislative Council urged creation of a commission on county jail standards, terming present laws on the subject "totally unrealistic and meaningless."

The Council's report said only five jails in Texas (those of Andrews, Lynn, Oldham, Smith, Taylor, and Wichita counties) meet health department standards.

Old Glory

by Bernice D. White

Folks around here are enjoying the sunshine after the ice, snow and extreme cold weather of the week before.

Mr. and Mrs. Beno Herttenberger celebrated their 56th Wedding Anniversary on Jan. 6, and despite the cold weather, most of their children and families and several other relatives managed to be present.

Their guests included Mr. and Mrs. Gary Best, Mr. and Mrs. Jerry Herttenberger, Mary and Martha, and Mr. and Mrs. Don Herttenberger, all of Abilene; Mr. and Mrs. Malcolm Herttenberger Lane, and Bobby Kittley of Rule; Mr. and Mrs. Roy Herttenberger of Asper-

mont; Mrs. Emma Newman of Amarillo; Mrs. Roy Wienke of Lubbock; Mrs. Pauline Fuqua of Stamford and Mrs. Katie Gerloff.

Icy conditions kept Mmes. Newman, Wienke and Fuqua here for several days visiting with the Herttenbergers and Mrs. Katie Gerloff.

Mrs. Beno Herttenberger hosted the Old Glory Variety Club in her home on Tuesday, Jan. 9. Six members were present along with Mmes. Newman, Wienke and Fuqua as guests. The group enjoyed an afternoon of games and refreshments.

Mrs. Katie Gerloff is the newly appointed reporter for the club.

Mrs. Bill Wright will host the next meeting in her home on Tuesday, Jan. 23.

Mr. and Mrs. Luther Meier and daughters have recently moved into their beautiful new brick home. The home is located four or five miles northeast of Old Glory on the Rule highway. We sincerely wish for the Meier family many happy years in their new home.

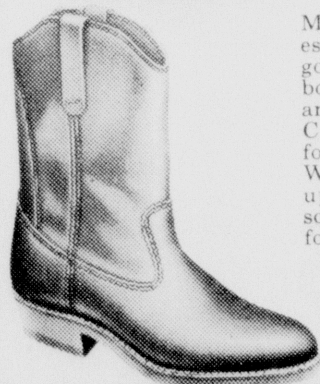

This community was saddened to hear of the passing of Mrs. Joe Jones of Aspermont last week. Mr. and Mrs. Jones
